GRAPES BIG FACTOR
IN FRUIT MARKETTomatoes Are More Abundant
Cheaper and Better; Other
Commodities.

Many of the merchants on Market Row closed their places of business Wednesday morning and attended the outing of the Butchers & Grocers' association at Salt Lake, thus contributing to the lethargy which usually characterizes this day's business on the retail provision market. By a conservative estimate the row was deserted by at least one-half of its business population and the day's trade centered in a few of the stalls that deal principally in fruits.

During the week there has been a gradual increase in the quantity of grapes that have reached the local market, and their presence was particularly noticeable yesterday. They are selling regularly at 15 cents a pound. The produce merchants are depending on making grapes their leading article in the fruit line for the next few weeks. One of the recent arrivals on the row is the Utah cantaloupe. Its presence on the market increases the already heavy supply and affords a large collection to supply the wants of the better and housewife. They are selling at from 5 to 15 cents each.

Other culinary commodities that are found in abundance on the row are peaches, 10 cents a pound; apples, 10 cents a pound; pears, 10 cents a pound; and plums, 10 cents a pound. Tomatoes are also more abundant than heretofore and are improving in quality. They sold Wednesday at six pounds for 25 cents. There has been no marked change in conditions on the vegetable and fish market.

Another Monster Parasite Taken Captive.

Boy Phenomenal Scores a Success to Be Wondered at by Even the Skeptics.

Wind-up Week Proving An Unprecedented Success.

Hundreds of People Flocking to the Windsor Hotel to Receive Treatment.

The great Boy Phenomenal is now winding up his final week of wonder-working. But four days now remain until the wonderful offer of treatment of any sort of disease or affliction for mere cost of medicine will be over with, and the regular rate of charging adopted on all lines of work. The great crowds of sufferers are cognizant of the fact that they are getting something wonderful, at a mere trifle, and they are taking advantage by the thousands. The number treated this week will, if the present rate is kept up, be well along in the hundreds. And there is not a person among all that number who can say that he has not been either entirely cured or given great relief. Hundreds of hearts have been made joyful through the work of the great doctor and hundreds of others will be before the week is over.

No Disease Excluded.

There have been many cases of rheumatism, tape-worms, tumors, cancers, deafness, kidney trouble, appendicitis, stomach trouble, and in fact every sort of disease and affliction imaginable on the list of reliefs and cures. There is an almost endless string of them and dozens of new ones are showing up each day. Probably as happy a young woman as Salt Lake can boast of at the present time is Miss Rose Adams, of 574 Cully avenue, who was relieved of a monster tape-worm. The great parasite was captured with one single treatment after it had been snapping her life and strength out for months.

Rose Adams Happy.

The statement of the rejoicing little woman when talking to Fer Don a few days ago was that it was the most marvelous cure she had ever heard of. She had placed herself in the hands of dozens of doctors and surgeons, but all they could do was to make her suffering worse. They could bring relief

MISS ROSE ADAMS.

for a few hours, but the great pain always returned and it was generally more severe. A single treatment from the Boy Phenomenal did the work, and the pretty little woman is no longer a sufferer even to the least degree. There are hundreds of persons, the names of whom will be furnished by Fer Don upon request, that are willing to tell of wonderful cures effected on them. The great doctor has the most

ardent esteem of thousands of people in this city. This fact is evident when the statement is made that the sales on medicine for the past three months have been over \$25,000. The Boy Phenomenal has had remarkable success, regardless of the unprecedented opposition he has had from various sides.

WE CURE MEN!

OUR FEE \$12.50

YOU DO NOT PAY FOR FAILURES BUT FOR CURES

Our acceptance of a case is equivalent to a cure. For a number of years we have specialized on the ailments of men. Our methods are scientific, original and up-to-date. Where other physicians are baffled and fail we cure quickly.

FIRST WE CURE YOU THEN YOU PAY US.

Your case is urgent—We are willing to wait until you are cured for the few dollars we charge for our service. Could we afford to do this if our cures were slow or doubtful?

Are you suffering from Indiscretions, Weakness, Spermatorrhea, Kidney, Bladder, Dribbling Urine or Prostatic Troubles, or Contracted Blood Diseases, Varicocele, Swellings, Rupture, Ulcers, Sore, Skin Diseases, or any other troublesome, long-standing, deep-seated disease?

If so, and you really wish to get well, Do Not Waste Your Life Consulting self-styled specialists and irregular "doctors," who possess neither the education, skill nor experience necessary to find out what your ailment is, much less to cope with it and make you well.

Things that are not done right never turn out well. Begin Right! Consult Us! Because We Are Regularly Guaranteed University Trained Specialists, whose original investigations and long study into the cause and cure of men's special diseases have caused us to be duly recognized by the highest medical and surgical authorities.

There are doubtless hundreds of men suffering from the ailments we treat who have read our announcements in the papers, yet delay necessary treatment and accepting the truth we have told. The best we can do in print is to tell you the absolute truth as to what we can and are doing every day in the year. Our standing in the professional world is the best—our knowledge and skill are unquestioned by the medical fraternity.

Our fee being so low it enables many who are afflicted to procure the highest scientific medical assistance. Terms made to suit if necessary, so that anyone need not go without treatment.
